

## HYBRID DOCUMENT - PAGE 1: Native Digital Vector Text

This page contains pure vector selectable text without embedded raster graphics.

Section 1: Automated layout preservation parses paragraph coordinates precisely.

Section 2: High confidence text layers are extracted directly via vector pipelines.

HYBRID DOCUMENT - PAGE 3: Digital Header with Graphic Chart

Below is an embedded financial growth projection chart rendered as an image block:

CAD SCHEMATIC - ARCHITECTURAL BLUEPRINT (VECTOR GRAPHIC)
